**#8055-CART 55 Gallon Cart**

The 55 gallon cart is made of heavy duty powder coated steel and is much more sturdy than a standard drum dolly. It features 10" pneumatic wheels and 4" heavy duty extra wide front casters for easy maneuverability across rough terrain.

**#8055A Drum Adapter Only**

For use with your existing powerhead & float cage assembly, filter bag, and hose from your 15 or 30 gallon vacuum

**#4077 55 Gallon Drum Dolly**

The 55 gallon drum dolly is an economical way to make a 55 gallon drum vacuum maneuverable. These are good for when the vacuum is not being moved around a whole lot, but still needs to be able to be moved for emptying, etc.

We have a large assortment of tools, attachments, and hoses available. Please see our vacuum tools and accessories literature or our website for more information.
